**The Conference is a joint effort to:**

- Update the near future vision of sustainable healthcare.
- Present best practices and solutions from a Nordic and Northern European context.
- Grant a platform for exchange and connections to strengthen the sustainable healthcare ecosystem.
- Provide a global reference for new practices, trends and developments.
- Enhance relationships with the academic community through the Nordic Research Network for Sustainable Healthcare.

**In total, 200–250 people are expected to participate in the conference.**

*Cancellations & Refunds: NCSH requires all cancellations to be made in writing. Contact us to learn about our refund policy, schedule and conditions.*
